

Part No. ALL11070-11078

Punch And Flare Tools

Add strength and a smooth finish to hole edges. Unique tools can be used to punch and flare new holes, or to flare existing holes. Starting with a small center hole, the punch halves bolt together to cut and flare at the same time. Note: This tool will cut a hole in up to 20 gauge (.0359") Steel or 18 gauge (.0403") aluminum. Hole size is increased about 1/8" when hole is flared.

Part No.	Description
ALL11070.....	1-1/2"
ALL11072.....	1-3/4"
ALL11074.....	2"
ALL11075.....	2-1/2"
ALL11076.....	2-5/8"
ALL11078.....	3"
