

Part No. ALL86127-86129

Performance V-Belts

Industrial grade V-belts are slightly wider than standard V-belts and are used with the Allstar reduction style 1:1 pulley kits with 1/2" wide pulley grooves. The wider contact area helps reduce slippage when using high performance mechanical fans.

Note: These will not work with standard width pulleys that are designed for 7/16" wide V-belts.
