## Clamp-On Panhard Bar Brackets

Adjustable steel or aluminum brackets clamp to square tubing, providing multiple Panhard bar mounting locations. Brackets are tapped for 3/4"-10 bolts. Steel brackets have outer holes 5" apart. Aluminum brackets have outer holes 5.5" apart. Hole measurements are center-to-center.

### Steel Brackets

ALL60240.....For 2" x 2" Tubing

ALL60244.....For 1-1/2" x 1-1/2" Tubing
