

Part No. ALL10500-10502

## Fire Extinguishers

Hand held dry chemical fire extinguishers are perfect for race car, trailer or garage use and include steel mounting bracket and strap, aluminum nozzle and hairpin safety pin. ABC rated, mono-ammonium phosphate based extinguishers are 15-1/2" tall and effective against electrical, liquid, grease, wood or paper fires. USCG approved when used with included mounting bracket and retaining strap to secure extinguisher to bracket.
