

## Extended Length Shock Rack Pin

### ALL12215

Extended length pin replaces the pin used on our standard and adjustable shock racks allowing a shock or eliminator with a 5" spring to be mounted to the rack. Pins are also ideal for creating custom mounting for use on toolboxes or pit carts. The outer o-ring may be removed to expose a predrilled hole for a hairpin clip such as ALL18442, sold separately.

**Replacement Component:**  
ALL18442.....1-5/8" Hairpin, 2-Pack

**Allstar Performance 8300 Lane Dr., Watervliet, MI 49098**
