

Part No. ALL23019-ALL23021

Spoiler/Body Brace

Solid body brace works well for securing panels or noses in position and features a tension bolt to adjust brace to desired length. Brace is painted black, has pre-drilled 3/16" mounting holes on each end, and is commonly cut to length for shorter applications.

Part No.	Description
ALL23020.....	Steel, Long Body (Adjusts Up to 27")
ALL23020-10	Steel, Long Body (Adjusts Up to 27"), 10-Pack
ALL23019.....	Steel, Short Body (Adjusts Up to 26")
