

Part No. **ALL23291-23293**

Dial-In Boards

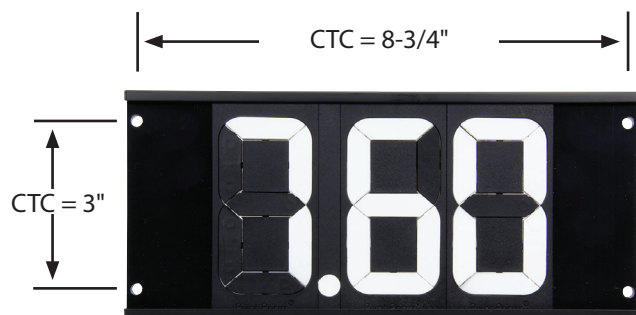

Dial-in boards are a great alternative to messy shoe polish when displaying your ET dial-in. Highly visible 3" tall white numerals help to ensure correct times are entered at the tower. Each numeral has seven pivoting sections that are easily changed to quickly adjust dial-in time.

Part No. Description

ALL23291.....3 Digit, 9"x4", w/ Mount Holes

ALL23292.....4 Digit, 9"x4", w/ Mount Holes
