

Part No. ALL30099

GM Style 4-Blade Steel Fan

Steel 4-blade fan is a direct replacement for the popular GM 4-blade fan. Fan features a 60 degree blade design, a universal bolt pattern with a 5/8" pilot hole and weighs approximately 3lbs. Small diameter flat washers included for proper installation.

Tech Tip: This four blade fan was originally designed for use in O.E. production vehicles. When this fan is used in high performance applications it is recommended that fan and mounting fasteners be inspected as a part of regular vehicle maintenance.
