

Part No. ALL30343-ALL30347

## Lightweight Dual Pass Single Row Aluminum Radiators

Dual pass radiators feature an all-aluminum construction including a 1-1/2" wide single row core that is furnace brazed, a fully welded billet filler neck with a removable overflow fitting, 1/4" NPT bung for an accessory port and finished with a heat-resistant black coating. These radiators feature a universal 1-5/8"-12 ORB fitting inlet design that allows for multiple inlet fitting options (sold separately). The lower outlet is a fully welded 1-3/4" standard hose fitting for push-on style radiator hoses.
