

Part No.      **ALL40190-40193**

## Two-Piece Fuel Filter Brackets

Brackets are a two-piece design that clamps our 2" O.D. in-line style fuel filter directly to the chassis tubing. Bracket secures filter to the tubing but does not fit completely around chassis tubing for applications when decking or sheet metal is mounted directly against the tubing. Sold each.

Part No.	Tubing Size
ALL40190.....	1-1/8"
ALL40191.....	1-1/4"
ALL40192.....	1-1/2"
ALL40193.....	1-3/4"
