 ALL42041

GM Caliper Spacers

Aluminum spacers for use with stock or stock design aftermarket calipers and thin rotors. Spacers keep the piston safely in the bore of the caliper. Choose from large GM style or midsized GM Metric caliper. Spacers are sold each and may need additional clearance depending on caliper used.

Part No.	Description
ALL42039.....	GM Metric, D154 Series, .100" Thick
ALL42040.....	GM Metric, D154 Series, .190" Thick
ALL42041.....	Big GM, D52 Series, .190" Thick
