

Part No. ALL55960
ALL55961

AMC Pacer Spindle

The Pacer spindle is a modular design which allows the spindle to interchange from left to right by flipping the steering arm. Spindle features a 7° pin inclination and 1-1/2" per foot upper ball joint taper. Spindle also uses the same spindle pin as the Mustang II/Pinto which accepts the Granada or Hybrid style rotors. Caliper bracket for GM Metric caliper is sold separately. Steering arm has been reamed to a straight hole to accept a 5/8" bolt and rod end.

Part No.	Description
ALL55960.....	Spindle with 1-1/2" Lower B/J Taper
ALL55961.....	Spindle with 2" Lower B/J Taper
