

Part No. ALL60290

## Crown Vic Watts Link Stud

### ALL60290

Chrome moly steel stud replaces the weak and often broken O.E. Watts link stud found on 1992-2012 Ford Crown Victoria models. Stud includes a flange style reatianer nut and a stud seat washer which allows the stud to seat properly to the factory housing. Stud retains all factory mounting points and requires no modification for installation.

Radius machined to help reduce stress fracture area.
