

Part No. ALL64274-64277

Bump Stop Components For Bilstein Shocks

Specifically designed for use with Bilstein shocks when using RSW or Christmas tree style bump stops. Lower support and cup rest directly on the shock rod end.

Part No. **Description**
ALL64274..... **Bump Stop Lower Support**
2-1/4" O.D.

ALL64275..... **Bump Stop Cup**
2.100" I.D.

ALL64276..... **Rod Guide Protector**
Puts the bump stop forces into the shock body, not the rod guide.

ALL64277..... **Splitter Washer**
Used to separate stops on stacked stop setups.
