

Part No. ALL68830-68834

## Ford 9" Flanged Axle Housings

Steel axle housings are built with all new components. The center section is centered, so the pinion yoke is offset approximately 1" to the right allowing for symmetric tube bracketry on each side. Housings include a vent fitting, carrier mounting studs, and axle bearing retainer t-bolts. Tube diameter is 3" with 3/16" wall thickness and features large bearing late/torino style ends. Axles sold separately. Width measurements are from axle flange to axle flange when using axles with a 2-1/2" offset.

Part No.	Axle Housing Width	Axle Housing Width w/ Axle
ALL68830	51"	56"
ALL68832	53"	58"
ALL68834	55"	60"
