

Part No. ALL80532
ALL80533

Heavy-Duty Bellhousing Mount Starters

Heavy-duty starter with a 3HP motor is designed to handle up to 16:1 compression engines.

Part No.	Description
ALL80532.....	Bert/Brinn Mount (9T) - Standard Rotation, use with Bert Bellhousing (with Idler Gear)
ALL80533.....	Quarter Master Mount (8T/91T) - Reverse Rotation, use with Quarter Master Dirt Bellhousing (No Idler Gear)

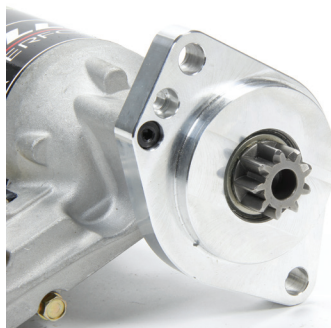

ALL80532

ALL80533

***** **NO WARRANTY ON BROKEN HOUSINGS** *****

WARNING - Due to the extreme torque this starter produces, damage may result to starter housing unless engine is turned (turning) over prior to turning ignition switch on. This is especially important on high compression engines. Attempting to start engine with ignition switch on will damage starter.
