

Part No. **ALL90050-90055**

Cam Button Spacers

Buttons limit lateral movement of the camshaft in engines without cam thrust plates and reduce friction for "free" horsepower. Machining of the cam sprocket may be required.

- Part No. Description**
 ALL90050.....SB Chevy Aluminum, Early With Flat Cover
 ALL90052.....SB Chevy Aluminum, Late With Reinforced Cover
 ALL90053.....BB Chevy Aluminum
 ALL90054.....SB Chevy Steel, Roller Bearing
 ALL90055.....BB Chevy Steel, Roller Bearing
