

Part No. ALL916011-916016

## Double-Layer SFI 3.3/5 Outseam Driving Gloves

Reverse seam style gloves are created from two layers of flame-retardant Aramid material blend that features the seam located on the outer portion of the glove for improved driver feel and comfort. These gloves also feature an anti-slip silicone material located on the palm and finger pads for improved grip, gauntlet style cuffs, and include an SFI 3.3/5 certified label on each glove.
