Helmet Shields

Polycarbonate wrap-around shields feature an anti-fog coating to improve visibility and increase safety for the driver. Shields are constructed from 3mm thick material and include unique tear-off buttons with ramp style adjusters which keep tear-offs tight. Shields accept tear-offs with 12.375" center-to-center mounting points.

Note: Use Racing Optics 10205 or Ultra-Shield 01202 Series Tear-Offs
